

2026/2027 Musculoskeletal Tumor Society Fellowship Program Grant Overview

Grant Purpose: This grant is made, and is to be used, only for purposes of funding the salary and benefits of fellows enrolled in the Fellowship Program.

Eligibility: MSTS recognized and ACGME accredited fellowship programs only. Fellowship Program must have a not-for-profit status.

Program Academic Year: The standard academic year supported by this grant is August 1, 2026 - July 31, 2027.

Amount Requested: Not to exceed \$25,000 per fellow.

Application submission deadline: September 11, 2026

Grant status notification to applicants: October 1, 2026

Covered expenses: The awarded program funds are to be used for a fellow's salary and benefits. Funds must be utilized during the academic year. Any unused funds will be returned within 60 days of the program's official notification of the unused fund balance. Programs will not be considered for a grant the following year if 1) their remaining unused funds have not been returned in a timely manner or 2) they accept funds and find they are ineligible, and therefore need to return funds that could have supported another program/fellow.

Non-covered expenses: Non-covered expenses include but are not limited to direct educational expenses such as registration, travel, and housing for courses/meetings; capital equipment purchases; malpractice insurance coverage; endowment funding; computer hardware or software; research and research associate salaries and fees; license registration and/ or renewal; overhead (including indirect costs from shared services) etc.

Application Submission Process: Members of the Fellowship Committee will review each submission and discuss the merits of each application.

Review Criteria: Funds will be granted based, in part, on the need, number of fellowship programs that apply for support, number of fellows at each program, level of funding requested, and other sources of funding available to applicants.

Grants Review Committee: The Fellowship Committee will review all applications.

Reporting Requirements: Final reports, including a financial summary, are due no later than August 31, 2027.
